Sex Offender Email Alert Registration Form

Parents For Megan's Law (PFML) will alert you via email when we are notified of the presence of a registered Level 1, 2 or 3 sex offender by Suffolk or Nassau County Police Departments, participating Long Island Municipal Police Departments or when we obtain official sex offender registration information from the New York State Sex Offender Registry. Information on registered sex offenders is always available from our website at no cost. The suggested donation helps to fund the services we provide, which include: advocacy for child and adult victims of sexual abuse and other violent crimes, sexual abuse and abduction prevention education workshops for children and adults, the Megan's Law Helpline and Sex Offender Registration Tips Programs, counseling services for children and adults and policy and legislative support services.

There is no cost for this service but donations are greatly appreciated.
