**THREE VILLAGE**  
CENTRAL SCHOOL DISTRICT

February 2011

Dear Resident:

At a recent Civic Association meeting, I urged those in attendance to contact our state legislators and seek mandate relief. This is absolutely necessary in light of the impending enactment of a tax cap of 2% or Consumer Price Index (CPI) whichever is less. These unfunded mandates put a tremendous burden on our budget. The State Senate has promised to put forth legislation that would relieve school districts of some of these burdensome costs.

Below appears mandates that are most costly, and the potential savings to our district. Please do all you can to influence those decision makers that mandate relief is in the best interests of our students and you as property owners.

Thank you.

Sincerely,

*Neil Lederer*
