GLOBAL LANGUAGES PROGRAM

Most students here at the Three Village Central School District begin their study of a second language in grade 7. We offer study of French, Italian, Latin and Spanish this year starting at the Introductory level and continued study of the those languages and German as well.

All students must begin their study in the Introduction level. After this year students will be placed in either a regular (level I) or honors sequence (level A) of study for the following year. This placement is based on the following criteria as stipulated in the Program of Study book: teacher recommendation, a 95 or better average for Introductory study and Terra Nova reading and language scores of 96 or higher.

All language teachers are available for extra help. Students should contact teachers for times and days. All language teachers are also available for assistance 2 days out of the 6 day cycle. Below you will find teacher availability.

NATIONAL LANGUAGE HONOR SOCIETY

We operate a chapter of the National Language Honor Society at the 9th grade level for those students who have met the criteria. Participation in this society is based on sustained academic excellence in language learning over a three year period of study. This society is run as an extracurricular club and those students meeting the criteria for entrance are invited to join in the fall. The criteria are available on the Global Languages website in both junior high schools and are: a 90 or higher average for the study of a language in grades 7, 8 and the first 2 quarters of grade 9. The activities of this club culminate with an induction ceremony which takes place on April 14, 2010 at 7:00 pm.
