**THREE VILLAGE
CENTRAL SCHOOL DISTRICT**

March 3, 2010

Dear Parents/Guardians,

As you are aware, we are experiencing a very tough winter. As a result of this season's weather, the Three Village Central School District has had to cancel school on four days, the highest number for one school year in recent history.

By closing school for four days, the District has exceeded the three (3) allocated snow days noted in the school calendar and will need to make up one day of instruction. As a result, **school will now be open and in session on Monday, March 29, 2010.** Should the District need to close school again for a full snow day, Tuesday, March 30, 2010 will be utilized to make up that day.

We recognize that, as the make up day falls at the beginning of our Spring Recess, this scheduling might affect your family's vacation plans and holiday plans. If you have any questions specific to your child or situation, I encourage you to contact your school's main office.

Thank you in advance for your understanding.

Sincerely,

Donald F. Webster
