## CALCULATORS

7th grade and 8R Students will be using a Scientific Calculator  
The TI 30XIIS is recommended

8H, 8HT, Algebra I, 9R, 9H, and 9HT Students will be using the Graphing Calculator:  
The TI-84 Plus (or Silver Edition) are recommended  
If purchasing a graphing calculator please save the "TI Points."

Teachers will be demonstrating calculator use on the TI-84 Plus in class.  
Students are not required to purchase the TI-84 Plus if they already have the TI-83+.
