

Get Ready for the Battle of the Books!

Calling all fourth graders! Are you up for the challenge? If you are interested in participating in the upcoming Minnesauke Library Battle of the Books, it's NOT TOO LATE. Please see Mrs. Francisco for more details and the Battle of the Books list. Remember that the only way to prepare is to READ the books on the Battle of the Books list.

What is the Battle of the Books? It's a voluntary reading program that challenges students to read the 100 books on the Battle of the Books list. In late Spring 2010, all fourth grade students interested in battling will take a written trivia test to see how much they remember about the 100 books they have read. Those students who remember the most information about the books will qualify to be on a Battle of the Books team. Each team will participate in several rounds of battles. The top two performing teams will qualify for the final Battle of the Books. The final Battle of the Books determines the reading battle champions for the year!

On your mark, get set, get ready ... READ, READ, READ!!!!
