

## The Children's Community Head Start & Early Head Start

**Attention pregnant moms, expectant dads, and parents of  
Infants, toddlers and preschoolers.  
Give your child a Head Start!**

### What is Head Start and Early Head Start?

The Children's Community Head Start and Early Head Start is a federally funded early childhood educational program for income eligible families. Head Start provides services for families with preschool age children, ages 3 – 5 in a center base option. Early Head Start provides services for pregnant women and families with infants and toddlers in home base and center base options. It is designed to promote healthy pregnancies, to enhance the development and growth of young children, and to support positive parenting. The program includes a no cost educational program, including developmental activities, parent involvement, and meals, plus health, nutrition, and family services.

- For children and their families (pregnancy through age 5)
- Full-day and part-day classes plus extended day care hours may be available
- Preparation for success in school and life
- Children with special needs welcome
- Serving Long Island since 1984
