

## Minnesauke Parent Teacher Association Student Directory

The Minnesauke PTA publishes a student directory each year. The directory includes student and parent names, addresses and phone numbers.

When you sign up to be a member of the Minnesauke PTA and pay your dues, you will automatically receive this all-encompassing directory. It includes your family information, a map of the school, all faculty members along with classroom numbers and grade and so much more!

Please follow on one of the three directions listed below. Read them carefully, choose the one that best fits your situation and fill out the appropriate section on the form:

1. Check "Yes" in Part A and fill out Part B if:
  - The .whole family is new to Minnesauke.
  - If this is the only child in Minnesauke.
  - You have not wanted your family included in the past, but would now like to be included in the directory.
2. Check "No" in Part A and Do Not fill out Part B if:
  - The whole family is new to Minnesauke and you do not want any of your information included in the directory. (Please note: Only your child's first and last name is included for class list purposes).
3. Throw this form away if:
  - The whole family has been in the directory in past years and there are no changes. Please note: incoming Kindergartener's of older siblings will automatically be included.
  - The whole family is not in the directory and you have previously filled out the form, checking "no", in previous years, and you want to remain excluded from the directory.

To be sure that each family is aware of this opportunity, **it is necessary for every family to complete the attached form, whether you wish to be included or not.** We will need this form returned to the main office in an envelope marked "PTA Student Directory" ASAP.

The directory will only be distributed to PTA Members, as a service, and should not be released to any other individual, organization or promotional enterprise.
