**Minnesauke Elementary School**

Dear Parents/Guardians:

The Emergency Contact Card that your child is bringing home is very important, as we use it to help us carry out your wishes in the event of an emergency during the school day. If a child becomes ill while at school, we count on the emergency contact card for information needed to release your child from school. We are sending the card home on the first day of school and ask that you fill it out and return the card the first week of school.

Please take time when filling out the card to list all numbers that we can use to reach you including work, cell, and beeper numbers. When noting friends or relatives who can be contacted when we cannot reach you, please make sure the people you list are readily available. The individuals should live locally and know you have listed them to pick your child up and care for him/her in the event of illness. Although there are a limited number of lines on the card, you may list additional names/numbers on the back of the card.

If your home number or cell number was changed during the summer, please circle the number on the contact card. This will enable us to update your child's records.

Should you have a change of workplace or number during the year, please call the health office at 730-4210 and we will make the change on the card.

Occasionally an emergency early dismissal may be necessary. This is usually associated with a weather problem. News of early closings are posted on the radio. The district calendar lists radio stations to consult. At the beginning of each year it is wise to make emergency plans and discuss them at home.

Thank you for your time and attention to this matter.

Sincerely,

**Brian Biscari**  
Principal
