

September

Dear Parent/Guardian:

I would like to take this opportunity to introduce myself as your child's **Health Education** teacher for the upcoming school year.

During the course of this year, your child will be provided with numerous and varied learning experiences filled with health concepts and life skills consistent with Three Village School District's *Essentials for Learning*. More specifically, by the end of the school year, your second-grade child will be better able to:

- 4 demonstrate knowledge of the structure and function of the ear and eye;
  - 4 recognize positive ways of expressing emotions;
- 4 incorporate personal health and hygiene into daily life;
  - 4 recognize practices of disease prevention;
  - 4 recognize eye and ear disorders;
- 4 demonstrate knowledge of healthful nutritional choices;
  - 4 demonstrate knowledge of general safety; and
- 4 recognize and differentiate between drug use and abuse.

Please do not hesitate to contact me at the school (631) 730-4200 or via e-mail: [kfiorero@3villagecsd.org](mailto:kfiorero@3villagecsd.org) with any questions or comments that may arise throughout the course of the year.

I look forward to an enjoyable and productive year working with your child!

Sincerely,

Kristina K. Fiore-Rosenfeld  
Health Education Teacher  
Minnesauke Elementary School
