

THREE VILLAGE
CENTRAL SCHOOL DISTRICT

Minnesauke Elementary School

The mission of the Three Village Central School District, in concert with its families and community, is to provide an educational environment which will enable each student to achieve a high level of academic proficiency and to become a well-rounded individual who is an involved, responsible citizen.

Dear Community Member,

On behalf of the Rosano family we would like to extend their most sincere gratitude to you for your generous donation in support of their family.

We have come to find that the Three Village community is one where caring and support for others is commonplace and that your generosity knows no boundaries. The benevolent nature of this community is surpassed only by its warmth and sensitivity. When there is need you have joined hands to reach out to help. For the Rosano family, that help has been instrumental in helping them deal with Danielle's sudden illness.

The Rosano family is overwhelmed by your kind support and generosity. Each act of kindness has not gone unnoticed; each has warmed their hearts and comforted them in this time of need. You have given them the strength and comfort that they need to move forward.

Whether by word, deed or thought you have made their plight more manageable knowing that they have been enveloped by the kind and comforting arms of this wonderful community.

Thank you for your donation on behalf of this family. Your kindness and support are bright lights during this most difficult time in their lives.

Most sincerely,

Mrs. Paula Bienia
Principal
