

CAMPUS PORTAL INFORMATION

Dear Three Village Parent,

The *Three Village Central School District* is pleased to provide you with access to the Infinite Campus Portal. This is a web-based, student management program that permits parents and students with Internet access to view the student's school calendar, schedule, attendance, NYS assessment and Regent's scores, major units of study, major assignments, projects and tests, and important event dates.

Each parent or guardian is provided with their own, private access. You will have one account to view all of your children in the *Three Village School District*. In the interest of security, we ask that you keep your access information private and **not** share it with your children. In the future, we hope to significantly reduce the number of paper mailings intended for parents.

If you have never logged into Infinite Campus, you will need your **personal activation code** (GUID key #) that is used to create a unique account. This can be obtained at your child's school or in person at North Country Administration Center (Room 110). Please be prepared to show photo ID. You will log onto our webpage at www.threevillagecsd.org and click on the Infinite Campus logo. (You can then save this site to your favorites.) Next, click on **"First time using Campus Portal? If you have been assigned a Campus Portal Activation Key, [click here.](#)"**

Then enter the GUID key number given to you. Please be sure to use capital letters; the "0" is a number and not a letter. When finished, hit "SUBMIT". You will then be asked to set up your account by creating a username and password. Once this is completed you will be able to log on and view your child(ren)'s school information. Once your account has been created, ***we ask that you immediately enter your email address in "Change Contact Info"***.

If you already have an active account, your child's information will automatically appear at the start of the school year when the placement information is viewable.

Below is a direct link for the Campus Portal located on the district website or type this address into your internet browser.

Please check your contact information for accuracy.

Questions may be forwarded via e-mail to parentportal@3villagecsd.org. If the questions involve accuracy of the attendance, we ask that you delay your questions for 48 hours to allow personnel to bring these records up to date.

We know that this will be an important tool for you to gain information about your child's progress in school and welcome this additional means of communication with parents. Thank you for your support.

Sincerely,

CHERYL PEDISICH
Assistant Superintendent for Educational Services
