Dear Parents/Guardians,

I am sending out this letter to let you know that we are continuing the "Minne Food Pantry" during the 2011-12 school year. For each PTA family function or school event taking place at Minnesauke, please bring a non-perishable food item or toiletry to donate. Large garbage pails will be available to collect your donations at each event. Please be sure to check the expiration dates on items you are donating as we cannot use expired items in the pantry.

At the start of the school year the food pantry is bare and needs donations to begin restocking. All non-perishable items are welcome! Just send your child to school with an item or two, and their teacher will be sure to get it to my office where the food pantry is stored. Donations are welcome throughout the school year!

If you are a family who qualifies for free/reduced lunch you are eligible to use the food pantry. Simply call my office to set up an appointment to do your "shopping". For your first appointment, please bring your free/reduced lunch approval letter and some bags or boxes to take your groceries home in. Usage of the Minne Food Pantry is strictly confidential.

Thank you to all who have donated in the past! I am excited to keep the pantry up and running and I know that all your generous donations will help feed several families in our school this year!

Sincerely,

Leia Woodruff, LMSW
