

August 2011

Dear Second Grade Families,

Hi! Welcome back to a new school year! I hope you all had a great summer. It went by so fast! Mine was very enjoyable and very busy. I can't wait to meet you and hear all about your summer vacation! I know we are going to have a wonderful year together filled with new and exciting things to learn!

Please check our supply list to see the things you will need for second grade.

On our first day of school, please bring in a picture of you from your summer vacation. It can be from a special place you went, the beach or at home. We will use the summer photographs to get to know one another and make a special project.

Please send in a picture that we can keep 😊.

Communication between parent and teacher is important for your child's success. Having your cooperation and support throughout the year will ensure a positive learning experience for your child. Please feel free to contact me at anytime throughout the school year with any questions, comments or concerns. Sending in a note or e-mailing me works best and I'll be sure to get back to you as quickly as I can.

Here are some pictures of my family and I from this summer.

It was Sofia's favorite place to go!

Can you guess where we went by looking at the picture?

Enjoy the rest of the summer and I look forward to meeting you soon!

Love,
Mrs. Maletta
