Dear Parents,

Our District Policy and NYS Education Law prohibit children from carrying prescription and non-prescription medications to school.

Any medication that is delivered in violation of district policy and state law will be sent to the main office for you to pick up. You will then need to bring the medication to the health office to give the medication to one of our nurses, who will check to make sure all of the necessary paperwork is on file prior to accepting the medication.

Please help us keep your child and other students safe by complying with this policy.

Sincerely,

A handwritten signature in cursive script that reads "Gail Casciano".
