

Dear Second Grade Friends and Families,

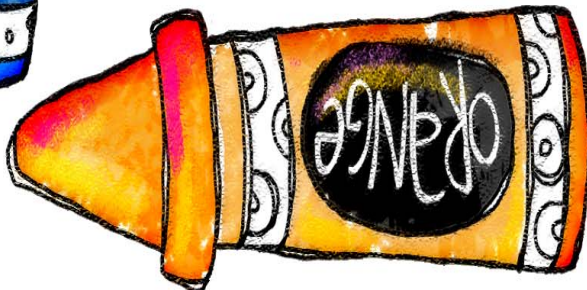

I am thrilled to have you in my class this year! As much as I love the summer and spending time with my own kids, I'm kind of glad summer is almost over because I absolutely love being a teacher. I find it very hard to sleep the night before the first day of school because I'm so excited! I can't wait to greet my new students and see their beautiful, smiling faces. We are going to have a wonderful year together, filled with learning, laughter, and love!

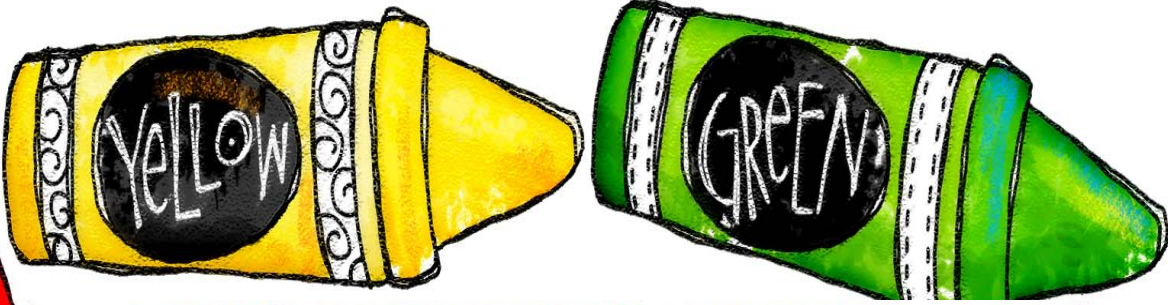

Enjoy the rest of your summer ~ I look forward to meeting all of you!

*Love,  
Mrs. Rosner*
