

ARRIVAL/DISMISSAL PROCEDURES
2009-2010

Students who are driven to school or are walkers will still need to use the University Drive entrance. This applies to students who arrive on time or are late.

Students who are being picked up, whether at the end of the day or early for an appointment, will need to be picked up at the University Drive greeter's desk in the lobby.

We appreciate your cooperation with this new procedure.
