Dear Parents,

Happy New Year!

It's hard to believe that we are almost half way through the school year. We wanted to take this opportunity to bring a few items to your attention at this point in the school year.

Students have an outdoor recess each day, weather permitting. You can expect that your child will go outside if the temperature is 22 degrees or above and there is no precipitation. Please make sure your child dresses accordingly for outside play during the winter months.

We also ask you to exercise caution as you drive on University Drive to enter our school parking lot. We have had reports from residents that some cars are exceeding posted speed limits which pose safety concerns for residents and students.

Our PTA and Shared Decision Making Team are sponsoring Diversity Appreciation Night on February 10th. Please mark your calendar to join us for this special evening to celebrate the diversity that makes our school and community special.

Sincerely,

Gail Casciano
Principal
