

Dear First Graders and Families,

Welcome to 1st grade! I hope that you are enjoying your summer and are excited to start a new school year. Ms. Panasci recently had twins so while she spends time with her little ones I will be your teacher. When Ms. Panasci is on her leave I will be in close contact with her to ease the transition upon her return. First grade is an exciting year filled with lots of learning and fun. We are going to have a great time together!

On the first day of school, we will spend time getting to know one another so **please bring a photo** that shows something you did over the summer. We will be using these photos for special project.

I am looking forward to beginning this wonderful and exciting year with you. Enjoy the rest of your summer and I will see you on September 1st !

From,
Miss Scully
