

WILLIAM SIDNEY MOUNT ELEMENTARY SCHOOL

PARENT CONCERN

2010-2011

Please complete a separate form for each child. Thank you.

Due to class sizes and the many parameters already taken into account, there will be no class changes; however, we are dedicated to working with you to address your concern. Class changes are problematic due to the numerous factors that were taken into consideration when initial placements were made. Last minute changes disrupt this process and the balance we hope to strike between and within classes. We do value your input and hope you understand our commitment to providing a quality educational experience for all our students. You will be contacted by the principal or asst. principal. Thank you.
