

# WANTED:

A few good Mount parents  
to help out with our  
**Fourth Annual Career Laboratory**  
on **Friday, May 14<sup>th</sup>, 2010.**  
If you have a career or hobby  
that you are willing to share with  
our students, then  
**WE WANT YOU!!**

We are looking for exciting and interesting presenters to do hands-on workshops for students as part of the Career Laboratory. We can help you format your presentation. We can team you with other similar presenters.

PLEASE let us know how you would like to participate, regardless of what grade your child is currently in, by completing the tear off below and returning it to the main office by **Friday March 12, 2010.**

We would be happy to hear about relatives or friends with interesting stories to tell as well.

We are interested in hearing from **everyone** so please let us know how you would like to assist in our wonderful Career Laboratory experience!

The committee will contact you regarding your participation.  
Thank you!
