

# Career Awareness Evening

For students and parents

Wednesday February 24, 2010

6-9 PM

Ward Melville High School

Would you like to make better decisions about what college to choose or about what career to pursue?

Then come to the Career Awareness Evening that will take place on February 24<sup>th</sup> from 6-9 pm at Ward Melville High School.

You can discuss career options with: civil engineers, video game builders, information technologists, advertising executives, genetic researchers, physical therapists, biological engineers, comic book developers, an accountant and many more.

These companies will send representatives:  
Motorola, Northrop-Grumman, Game Builders Academy, Cold Spring Harbor Laboratory, IBM, Bascom, PW Grosser, Diagnostic Devices, St. Charles Hospital and others.

Make better decisions for your future.

Parents welcome

*Enter through the gym (north) entrance to Ward Melville High School*
