

Dear Fantastic First Grader,

Hello and welcome to first grade! We are going to have lots of fun this school year. We will make new friends and learn many exciting things.

School is going to start very soon. Our classroom number is 107. Please bring in a snack with you. We have snack every day. You will find a nametag for you to wear on the first day of school. Please have an adult fill in your bus number, if you will be going to SACC or if you will be picked up on the first day.

Below is a list of school supplies. Because of the excitement during our first day together, please bring in only the items listed for the first day. All other supplies can be brought in on the second and third day. This will make it easier to carry everything and guide us in our organization. Please write your name on all of your supplies that have been indicated below with (name). You will be using your own supplies and have your own desk.

SCHOOL SUPPLIES FOR THE FIRST DAY:

10 PENCILS SHARPENED WITH NAME ON THEM
