

September, 2011

Dear Parents and Students,

Hello and welcome back! I hope you all had a restful summer and are looking forward to an exciting new year! I am very excited about meeting new students and reuniting with some of my old friends. We have many wonderful memories and I am confident we will continue to have many more.

We will be getting to know one another during the first few days of school through some cooperative activities. We will also be learning the rules and daily routines that students will be expected to follow until June. Sixth grade is the year that students need to prepare for middle school, thus I will do my best to teach your child the importance of responsibility in relation to his or her schoolwork, etc. However, I, too, expect that students always do their best.

If you should ever need to contact me, please don't hesitate to leave a message with the school secretary, email or via note sent in with your child and I will return your inquiry as soon as possible. My email address is askmrsgaquestion@yahoo.com .

Along with your supplies, please be prepared on the first day with a healthy snack and an independent reading book.

Here's to a hard-working year with much success. I look forward to seeing you at Open House.

Sincerely,
Mrs. Gulino
