

August 2011

Dear Fellow Learners,

I'd like to take this opportunity to welcome you back to W.S. Mount Elementary and welcome you to 6th grade! I'm very much looking forward to meeting all of you and starting a new and exciting school year!

Sixth grade is a time of transition, so the expectations will be much greater and the work more difficult, but that doesn't mean we won't have a great time learning together! Let's get ready for a fun-filled learning experience and the next chapter of your life!

Enjoy this last bit of summer! I'm very excited to meet all of you (parents too!).

Sincerely,
Mr. Lingner
