

August 2011

Dear Second Grader,

The first day of second grade is almost here! You're probably counting down the days until the first day of school. It's so much fun to see all your friends from first grade and to meet new friends too.

I hope you enjoyed your summer and had a well rested vacation. I'm sure you had a lot of exciting adventures over the break. It would be a great idea to write some of them down on a piece of paper so you can share them the first week of school. I can't wait to hear all about them!

As you may have noticed the supply list for second grade is posted on the district website. You do not need all of the supplies on the first day of school. Some of the basic items such as pencils, crayons, a scissor, a notebook, and 2 folders is all you need the first week of school. Also, be sure to pack a snack for school each day. We can really work up an appetite in second grade!

Well, it's time for you to enjoy the last few days of your summer vacation. Have a wonderful Labor Day weekend and be sure to get plenty of rest for your first day of school ☺

Yours truly,
Ms. Payne
