

September 1, 2011

Dear Parents/Guardians,

Hello and welcome back! I hope you all had a restful summer for the most part and that you are looking forward to an exciting new year!

We will be getting to know one another during the first few days of school through some cooperative activities. We will also be learning the rules and daily routines that students will be expected to follow until June. Sixth grade is the year that students need to prepare for junior high school, thus I will do my best to teach your child the importance of responsibility in relation to his or her schoolwork, and so forth. However, I, too, expect that students always do their best.

If you should ever need to contact me, please do not hesitate to leave a message with the main office or email me through the district email, and I will return your inquiry as soon as possible.

Here's to a hard-working year with much success. I look forward to meeting you at Open House!

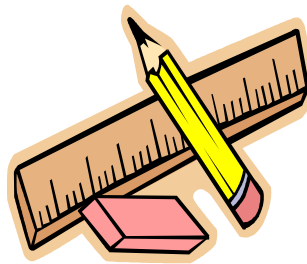

Sincerely,

Mrs. Scali

Scali Supply list- Room 211
