

August 2011

Hello Second Grader, ☺

I hope that you're having a wonderful summer. I've been enjoying going to the beach, swimming, playing with my three children, and reading. My family and I went to Hershey Park this summer. We had so much fun there. When I can, I love to go golfing with my friends. My son started playing golf with me this summer which was a lot of fun.

This school year will be exciting for me. My son, Jackson, will be in third grade this year. Also, my daughter, Tess, will be going into first grade and my youngest child, Finn, will be in kindergarten. I'm sure you will hear plenty about them during the school year.

I thought it would be helpful if you knew the kinds of supplies that you will need. Listed below, is our class supply list. Please bring in these items with you during the first week of school. The list should help your parents avoid the crowds in the stores once school begins. In addition, please bring in a healthy snack to school.

I am looking forward to a wonderful year together. Enjoy the rest of your vacation and I will see you on the first day of school in room #118.

Sincerely,

Mr. Starr
