## Meal Payment Options

There are several ways to put money into a meal account for your child.

Option #1: Payment of cash at the cash register.

Option #2: Payment of checks at the register; checks should be made payable to "Three Village Cafeteria Fund". Please indicate on the check if the money is for lunch only or if it can be used for lunch and/or snack. You can also mail a check to:

Three Village Child Nutrition Program  
100 Suffolk Avenue, Stony Brook, NY 11790.

Option #3: For those who would rather not have their child carry lunch money to school, we recommend the prepayment option utilizing the MyLunchMoney.com program. Log onto [www.MyLunchMoney.com](http://www.MyLunchMoney.com). This will allow you to place money in your children's account and to automatically renew the account when it is low. You will be able to see your children's account history at any time. Please allow 24-48 hours for the account to update. You can also call **800 479-3531**. You will need your child's student identification number to register.
