

Summer 2017

Dear Kindergarten Parents and Students,

I would like to welcome you to a new and exciting year in Kindergarten! I hope you and your family have been enjoying the summer as I have with my family. I look forward to meeting you and sharing summer experiences the first few days of school. Students, please bring a favorite photograph of something you did over the summer to share with your new friends and teacher!

Kindergarten is a very rewarding school year with so many new things to learn as well as many new and special experiences to share. I know our year will be filled with ***FUN, LEARNING and SUCCESS!*** Below you will find a small list of additional supplies to bring in addition to the *Generic Kindergarten List* (found on the portal). A packet of information for you to review as well as a parent survey to fill out will be sent home in the mail. Please complete and send the survey to school as soon as possible. This will help me to get to know your child better. Thank you! ☺

Communication between us is essential for your child's success. A parent, teacher and child make the best team! Please feel free to contact me at any time throughout the school year with any questions, comments or concerns. Enjoy the rest of your summer!

Sincerely yours,
Mrs. Damiano ☺
