

Patriot PRIDE Day

Ward Melville High School

October 24, 2018

On Wednesday, October 24th, the Ward Melville High School faculty and students are hosting Patriot PRIDE Day, a day dedicated to promoting a culture of kindness, compassion, and acceptance in our school and community. We hope that by setting aside the normal tasks and routine of our lives and emphasizing character traits like **Peacefulness, Respect, Integrity, Dependability, and Encouragement (PRIDE)**, we will move towards a more open and accepting environment where everyone feels they belong.

The day will begin with a keynote speaker and Battle of the Classes, followed by five periods of workshops, presented by community leaders, agencies, teachers and school clubs.

All students will be attending the Keynote speaker and Battle of the Classes at the beginning of the day. They will then have a wide and varied selection of workshops to choose from throughout the rest of the day. There will be an amended bell schedule that can be seen on the website. Students must sign-up for workshops during each available period, (period 3-7) including one period of lunch (available periods 3-6) or they will be placed into workshops when sign-ups close. Workshop registrations are on a first come, first served basis.

The Workshop Registration Window will open on Monday, October 15th at 2:30pm
