October 11, 2018

Our annual Patriot P.R.I.D.E. Day is scheduled for Wednesday, October 24, 2018. This year, students will sign up for workshops through our Campus Portal. There will be no regular classes scheduled on this day. Students are encouraged to sign up for workshops. In order to sign up, students must use their **STUDENT** Portal account, **NOT** the **PARENT** portal account. If students try to schedule workshops through a Parent Account, it will not work. It must be completed through a Student Portal account. At this time, we ask all students to check and make sure they have access to their STUDENT account prior to the sign-ups. Many of our students have accessed their account and regularly use it to check their schedule and grades. If you have never accessed the student portal account please follow the steps listed below:
