

*The mission of the Three Village Central School District, in concert with its families and community, is to provide an educational environment which will enable each student to achieve a high level of academic proficiency and to become a well-rounded individual who is an involved, responsible citizen.*

## **THREE VILLAGE**

**CENTRAL SCHOOL DISTRICT**

May 2020

Dear Parent/Guardian,

**As of July 1, 2018 New York State law requires a health examination for all students entering the school district for the first time and when entering Pre-K or K, 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup>, and 11<sup>th</sup> grade.** A dental certificate which states your child has been seen by a dentist or dental hygienist is also asked for at the same time.

- A copy of the health examination must be provided to the school within 30 days from when your child first starts at the school, and when your child starts Pre-K or K, 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup>, & 11<sup>th</sup> grades.
- If your child has an appointment for an exam during this school year that is after the first 30 days of school, please send the appointment details to the Health Office.
- Please review immunization records with your provider to ensure your child is compliant with annual requirements. You can view the records currently on file in the Health Office on the Parent Portal- Health section.

The NYS required form (located on the District website under Health/Medical Forms) may continue to be used to record health exam results.

We suggest you make copies of the completed forms for your own records before sending them to the school health office. If you have any questions, please contact your child's health office.

Thank you,

Howard R. Sussman, MD
