2018-2019 SCHEDULING SHEET FOR GRADE 7**

Last Name_____ First Name_____

Home Phone_____ Male_____ Female_____

Grade 6 School_____ Grade 6 Teacher_____

Please bring this scheduling form home, review it with your parent(s)/guardian(s), and carefully make your selections. Thank you for returning your completed form to your current teacher by **Friday, February 16th.**

The criteria for a student being considered for the honor's programs in English, Social Studies, Science and Math (placements will be made once these scores have been reviewed in May) will include but will not be limited to:

- ***Teacher Observation Report***
- ***Reading Level***
- ***Lexile Reading Level*****
- ***i-Ready Assessment***

** The Lexile Reading Level is determined by the Scholastic Reading Inventory (SRI). The SRI is a 20-30 minute computer-based reading comprehension test that evaluates both reading ability and text complexity.

Please take time to read through the JHS Program of Study which is available on the Three Village School District website. Students are required to take English, Social Studies, Mathematics, Science, Physical Education, Health, Music, and a sequence of Home & Careers and Technology. Under the current structure of a 9 period school day, almost all 7th graders will be able to begin fulfillment of the Foreign Language requirement in an introductory foreign language class. If budget, staffing and/or scheduling constraints do not interfere, students will be enrolled in a supplemental elective course.

Please make your choices on the reverse side of this form. *If your child is a candidate for support services, such as Resource Room, Academic Support, Literacy, Math AIS, or Speech Language, the scheduling of the supplemental course may not be possible. In some cases, the music course, health course or the Introduction to Foreign Language course may need to be postponed until the following year for students receiving special education support services.*

A comprehensive verification letter, including all courses in which your child is registered, will be available on the parent portal in the Spring.

**PLEASE RETURN THIS SIGNED FORM TO YOUR 6TH GRADE TEACHER BY
FRIDAY, FEBRUARY 16, 2018**

NO selection required - Automatic enrollment

Health and Physical Education will each be automatically scheduled by the school for one period on an alternate day rotation.

New York State Required Courses 7141 X Home & Careers 7151 X Technology

Lunch Grade 7 Students' lunch periods are scheduled in our nine-period school day by grade level only. Grade 7 students have lunch during period 5.

Music Students presently participating in two ensembles (band/chorus, orchestra/chorus) may elect to continue in both groups. When requesting two ensembles, the instrumental class (band and orchestra) will be scheduled first. The scheduling of the second music class (chorus) is dependent on your supplemental music selection in the lower box on this page.

**students who do not participate in Orchestra, Band or Chorus will be scheduled into Music I (a non-performance based general music class).*

SELECTION REQUIRED

Foreign Language Please indicate 1st, 2nd, and 3rd choice giving **all languages a number in order of preference.**

Every effort is made to place students in their 1st Foreign Language choice. However, in some circumstances, students may not be placed in their preferred choice due to enrollment, staffing and/or budgetary constraints.
