icampus & google classroom

Grades will be posted on the ICampus portal. Student progress may be checked throughout the school year. If you notice a mistake on the portal, please contact the teacher immediately. A missing will be entered if the student is not present the day an assignment is due. The missing calculates into the average as a zero until work is submitted. Zeros that are entered means the student did not complete the assignment. **LATE HOMEWORK AND CLASSWORK WILL NOT RECEIVE FULL CREDIT.** Students have time to complete most classwork during the period. Homework is to be done solely at home. If classwork or homework is handed in past the deadline, 10 points will be deducted per day. If you are absent the day homework or classwork is due, it is your responsibility to show it to the teacher when you return.

We will also be utilizing Google Classroom. Students will be expected to upload assignments to this site on a regular basis. Class handouts, presentations, and other resources can also be found here as well.

technology use

Students are responsible for computer equipment, cameras and other equipment used. They will be held accountable if anything is lost, stolen (without reasonable care on the student's part) or misused in any way. Students are responsible for replacing any equipment that is lost, stolen or broken due to negligence.

late projects

If you are absent the day an assignment is due, it is your responsibility to show it to the teacher when you return or have it uploaded to Google Classroom. If you missed class the day a major project is due, yet were still in school it is your responsibility to find the teacher and turn your project in, or it will be marked late. Every day a project is late, 10 points will be deducted. Students missing a project deadline will have a missing entered as a grade until the project is turned in. If for some reason you feel that you cannot make a deadline, please come speak to the teacher. This policy does not refer to accepting classwork/homework late.
