

Foundations In Advanced Algebra

Mr. Ely

Materials needed for class everyday:

- TI-84 graphing calculator
 - A binder (this is preferred due to the number of handouts)
 - A pen / pencil
-

Grading:

Student grades will consist of three (3) categories:

- 1) Classwork / Participation / Homework (60%)
- 2) Quizzes (20%)
- 3) Tests (20%)

All grades will be viewable on the parent portal within 48 hours of completion.

Classwork / Participation / Homework – this category will consist of in class assignments, homework assignments, and participation in class group work and discussions. This is the majority of your grade! Make sure you are engaged and active in class.

Quizzes – We will have 3-4 quizzes per quarter. All quizzes will be announced (no pop quizzes).

Tests – We will have 3-4 tests per quarter. Prior to every test, we will have a two (2) day review going over all topics covered on the test.

** If you miss a quiz or test, you must schedule a make-up time with me or take it in the testing room. If this is not done, a zero will go into the portal.*

Attendance:

Every class is important! You are expected to be in class ON TIME, which means you are in your seat when the bell rings. You are also expected to be prepared for class each day with the necessary materials. My classroom attendance policy follows the WMHS guidelines. Please refer to the attendance office for any clarifications on the WMHS attendance policy.

When / if you are absent from class, it is YOUR responsibility to get a copy of class notes, make up missed work, etc. Any student who cuts class will receive a ZERO for any tests, quizzes, graded assignments, etc. that were given on that day.

Cell Phone Policy:

All cell phones / electronic devices are to be put away during class. This includes ear buds or airpods. Use of these devices during class can be a distraction to learning and must be avoided.
