GRADING POLICY

late projects

● **PROJECTS:** 70%
 ● **CLASS WORK & HOMEWORK:** 30%
homework & class work assignments will not receive full credit

FINAL COURSE GRADE:
each quarter will be worth 50% of the final course grade

If you are absent the day an assignment is due, it is your responsibility to show it to the teacher when you return or have it uploaded to google classroom. If you missed class the day a major project is due, yet were still in school it is your responsibility to find the teacher and turn your project in, or it will be marked late. Every day a project is late, 10 points will be deducted. Students missing a project deadline will have a 'missing' entered as a grade until the project is turned in. If for some reason you feel that you cannot make a deadline, please come speak to the teacher. This policy does not refer to accepting class work/homeworks late.

ICAMPUS & google classroom

We will be utilizing google classroom. Students will be expected to upload assignments to this site on a regular basis. Class hand outs, presentations, and other resources can also be found here as well.

Grades will be posted on the ICampus portal. Student progress may be checked throughout the school year. If you notice a mistake on the portal, please contact the teacher immediately. A 'missing' will be entered if the student is absent the day an assignment is due. The missing calculates into the average as a zero until work is submitted. Actual zeros that are entered means the student did not complete the assignment. **LATE HOMEWORK AND CLASS WORK WILL NOT RECEIVE FULL CREDIT.** Students have time to complete most classwork during the period. Homeworks are assignments solely done at home. If class work or homework is handed in past the deadline, 50 points will be deducted per day. If you are absent the day work is due, it is your responsibility to show it to the teacher when you return or have it uploaded to google classroom by the deadline.

ABSENCES & EXTRA HELP

If you miss class for any reason it is your responsibility to speak to the teacher about what you missed. Please check the google classroom for any new assignments given. If for any reason you feel lost or behind in what we are doing, PLEASE come speak to the teacher as soon as possible extra help can be arranged. If you schedule a music lesson during this class period please speak with the teacher first.
