

March 30, 2020

Dear Parents and Guardians of Math AIS and Progress Monitoring students,

We hope you and your family are safe and in good health. In an effort to support your child's education at home, each Math AIS and Progress Monitoring student should log into i-Ready 45-90 minutes a week. There will be personalized lessons that address various math topics and help develop fluency and number sense.

Students can log in via Clever (refer to page two for instructions). Once your child logs into i-Ready, he/she can continue with "My Path" lessons listed in green. There is also a "Learning Games" bottom tab (K-5) students can access for optional review in addition to the 90 minutes.

Refer to pgs. 3-5 of this letter for optional math tools. If you have any questions, please contact your child's Math AIS teacher.

Sincerely,

Math AIS Teachers
