**Assistant Superintendent for  
Educational Services**

Dear Parents,

Welcome to the Three Village Central School District. If you are preparing to register your child to attend Kindergarten, you are embarking on an important milestone in the life of your son/daughter. As you will soon learn, the Three Village School District is an outstanding educational institution.

We ask that you kindly complete and bring with you to the Kindergarten Screening appointment the Kindergarten Social Developmental History Form, the Kindergarten Transportation Form and all required medical forms. These forms can be found on our website under Student Registration under the District tab along the top. Your child's home school will be in touch with you to schedule your Kindergarten Screening appointment after your child's registration is complete. Kindergarten screening takes place at each elementary school according to the schedule on the district calendar and on our website under Kindergarten Screening on the Educational Services website under the Departments & Programs tab along the top. The screening process is designed to be a welcoming and friendly first experience for your child. The results of the assessment will be posted on the Infinite Campus parent portal a few weeks after the screening has taken place. The results of the screening help us balance our class sections and prepare effectively for your child.

Thank you for taking the time to complete the necessary paperwork. Should you have any questions, please do not hesitate to contact your child's building Principal. We look forward to working with you for years to come!

Regards,

Kevin Scanlon
