

Dear Parents,

Below please find a list of reputable websites that you may find helpful when discussing medicines and other chemical substances with your elementary aged child.

Substance Use and Abuse Resources for Parents:

<https://kidshealth.org/en/parents/medication-safety.html>

<https://www.getsmartaboutdrugs.gov/>

<https://kidshealth.org/en/parents/talk-about-drugs.html>

<https://drugfree.org/article/prevention-tips-for-every-age/>

<https://www.samhsa.gov/underage-drinking/parent-resources>

<https://www.drugabuse.gov/sites/default/files/preventingdruguse.pdf>

<https://asklistenlearn.org/parents/alcohol-affects-kids-brain/>

www.brainpop.com

<https://www.drugabuse.gov/parents-educators>

Other District Resources from our Student Assistance Counselor Alison Herrschaft:
