July 17, 2017

Dear Parents,

I hope you are all enjoying the summer and soaking up every minute with your wonderful children; it is still only July, and I miss them already!

Student placements will be released today on the Parent Portal. Class placements have been carefully crafted looking at a myriad of factors including boy girl ratio, learning styles, support services, parent input, teacher and staff input, emotional needs, as well as academic strengths and areas in need of support. Classes are well balanced and staff is confident that each student's needs will be met in the classroom they have been assigned.

If you have concerns about your child's placement, kindly fill out the attached form and return it to the main office by Friday, July 28th. Please understand that changes will only be made if there are serious academic concerns and only if there is a compatible opening in another classroom with room for an additional student; as you can imagine this often is not the case. Requests made past this deadline will not be accepted as classes will be finalized the week of July 30th. Decisions will not be made before this time as I need to receive all requests before making any decisions. ***Please do not expect a phone call before the week of July 30th.***

I hope you each enjoy the rest of the summer; please let the kiddies know how much I miss them and am looking forward to having their bright smiles back in the building!

Sincerely,

*Kathryn White*
