Kristin Rimmer, Assistant to the Principal*

September 2013

Welcome to a new school year! We hope that everyone enjoyed a fun filled and relaxing summer! I appreciate all of your warm welcome wishes as I join Setauket School this year!

All class placement information is available through the parent portal. Please keep your account information for future use throughout the school year. Please look for important updates about events and happenings around the school on our website. As you know we have continued our paperless initiative and many school based documents will continue to be posted to our website and/or the parent portal. It might be helpful if you made this page a “homepage” or saved it to your bookmarks so you can be sure to visit it regularly.

We pride ourselves on maintaining open communication. Portal information, the district website, PTA website, and automated messages reflect our focus on keeping you informed about our school. Please use these key sources for general information, but feel free to call or email us whenever you need your questions answered.

Your partnership and support are key elements to ensuring that we are able to maximize each student’s educational and personal development. To that end, we encourage a positive home-school relationship based on the mutual goal of providing the best learning experience possible for all of our students. Our talented faculty brings a diverse set of approaches to instruction in order to address a variety of student learning styles. You will have the opportunity to meet the faculty at our Open Houses on October 1<sup>st</sup> and 2<sup>nd</sup>. The specific schedules for each day are posted on the website.

Throughout the community, there is an incredible level of excitement as everyone makes final preparations for the arrival of our children. It is with the same care, enthusiasm, and commitment that we approach the craft of teaching. As the people you have entrusted with the education of your children, we have developed a strong educational program that addresses each child’s social, emotional and academic needs. We promote an educational environment that engages the students in meaningful work so that they develop the critical skills necessary to become independent, responsible, and productive citizens.

We wish you the best for a successful and rewarding school year!

Sincerely,

Nathalie C. Lilavois, Ed.D.
