August 2016

Dear Setauket Families,

I hope you are all having a relaxing and memorable summer! I cannot begin to tell you how excited I am to return to Setauket School. It is such a pleasure to come back to work with such an accomplished teaching and support staff that will provide our children with an engaging learning experience this year. For those of you with whom I have not had the pleasure of meeting yet, I am Kristin Rimmer, the new Acting Principal. I started at Three Village at Arrowhead Elementary School in 2004. While there, I taught in a variety of settings including; Reading AIS, Kindergarten, and 5th grade General Education/ DTC before becoming an administrator. Since then, I have been an Assistant Principal at both Setauket and Nassakeag Elementary Schools in addition to being the district's Pre-K Liaison. I am really looking forward to making Setauket home and working collaboratively with you to make this school a wonderful place for our children to learn and grow.

Over the summer our Setauket Family continued to grow. Please join me in welcoming our new interim Assistant Principal, Bob Harrington. Mr. Harrington is an experience administrator having spent many years working in education. He has worked for various school districts providing interim support in a variety of positions. He has worked numerous times in Three Village as both an interim principal and assistant principals at Arrowhead and Setauket. We are very lucky to have his experience, kindness and expertise here at Setauket once again.
