Course Description:

Algebra 2 is a course that will incorporate some Algebra 2 common core curriculum as well as Trigonometry. A final exam will be given at the end of the year. Students will **NOT** be taking the regents exam in June. This course requires hard work and dedication from every student. It is important for you to complete all homework assignments, come to class on time, prepared and focused. Participation in classroom discussion is a must in this course.

Materials needed for class everyday:

- 3 ring binder with loose leaf for notes and a place to keep handouts

OR

- 3 subject notebook with folder for handouts

Grades:

The Final Course Grade will be calculated as follows:

Final Exam: 12%

The student's Quarterly Grades will consist of the following categories:

Quarter 1: 22%

Quarter 2: 22%

Quarter 3: 22%

Quarter 4: 22%

Homework- 5%

Tests & Quizzes- 95%

*Homework will be given just about every night and is DUE the next class day.

*Usually there are 3-4 quizzes and 3-4 tests given each quarter. Grades will be viewable on the parent portal.

Attendance:

Every class is very important. You are to be on time for class, which is, in your seat before the bell rings. Please be prepared bringing all expected materials. If you are absent from class please see me for any missed work.

Electronics/Phones:

All cell phones/electronic devices are away during class. As essential as cell phones have become in today's society, it be an extreme distraction to learning
