ABOUT THE COMMUNITY

Located 50 miles from Manhattan, in the Three Village area, Ward Melville High School is situated in one of the most picturesque and inviting communities on Long Island's North Shore. The proximity of Stony Brook University affords students opportunities to participate in a plethora of intellectual and co-curricular activities.

The areas of Stony Brook, Setauket, and Old Field are home to a culturally diverse population whose residents are frequently employed by Stony Brook University, the Stony Brook Medical Center, and Brookhaven National Laboratory. This internationally represented community is reflected in the high school, granting our students a unique global view of the world in which they live.

ABOUT THE SCHOOL

Ward Melville is a nationally recognized public high school with a current population of 1564 in grades 10-12. More than 93% of the 2020 graduates pursued advanced education. Nine (9) Ward Melville seniors were awarded National Merit Finalist status in 2020. Our students have achieved international, national, state, and local recognition for academic, musical, artistic, and athletic endeavors.

ABOUT THE CURRICULUM

Ward Melville High School offers an extensive selection of programs and courses that challenge its student population. Levels of study can vary to meet student needs and include Advanced Placement (AP), Honors and college preparatory courses. Many of the Advanced Placement and Honors courses have articulation agreements with state and local universities. Additional core courses and electives are offered at the college preparatory level.

GRADING SYSTEM

A weighted GPA is provided on the student transcript. The GPA is cumulative and grades are weighted according to course level. Ward Melville High School does not rank students.

**Due to COVID-19, students were graded in the 4th quarter using a grade of either Pass/Fail or a numeric grade, whichever resulted in a higher final average. All other quarters were numeric.*

**In addition, due to the COVID-19 restrictions mandated by New York State, some course offerings were reduced this year resulting in fewer options available to students.*

GRADING VALUES

- Numeric - Based on a scale of 100
- Three levels of weighting:
