

Toiletries for Veterans

April 29th to May 21st

The VA is a hospital and a veterans home that relies on donations for toiletries for veterans to complete grooming tasks. Right now in the VA, there's a shortage of toiletries including tooth brushes, deodorant, toothpaste, shampoo, soap, and denture cleaner. We are currently looking for all of these items. All of the collected items will go to the VA in Northport. Thank you and have a good day!
