

THREE VILLAGE SEPTA

Special Education Parent Teacher Association

Dear Parents, Guardians and Faculty,

Welcome to the 2024-25 school year! Three Village SEPTA (Special Education PTA) brings together parents, teachers, administrators and learning specialists from our High School, our 2 Junior Highs, and our 5 Elementary Schools, along with many others all with a true interest in the special education of children. Together, we seek to improve and maintain the quality of special education in all of our district programs, we support families of students in out-of-district-placements, and we hope to ease the transition of graduating students with special needs to further education or employment while advocating for an inclusive community.

The Special Education PTA General Meetings host speakers to provide valuable information to help those navigating special education (resource room, ALC, DTC, 504s, speech, OT and PT). Exact speakers and information will be provided on our website and Facebook page. All meetings will be held on Zoom and a link will be provided a few days prior on our website, Facebook page and via email blast.

SEPTA Parent Networking Meetings are informal gatherings of parents sharing information and discussing issues impacting their lives. The meetings are hosted by a SEPTA Board Member. A SEPTA Parent Networking Meeting will be held directly after all of the SEPTA General Meetings. Additional SEPTA Parent Networking Meetings generally occur monthly. The first Parent Networking Meeting will be September 23rd after our General Meeting, the complete schedule can be found on our website.

SEPTA can only be successful with your support. Please consider supporting SEPTA by purchasing a membership at <https://septa3v.memberhub.store/>. The QR code has the membership link.
